*When September arrives
And activities start,
So much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure,
And when we have finished,
You can read them with pleasure.*

CARL JENSEN

DEDICATION

A man does not plant a tree for himself, he plants it for posterity.

The root of the tree, which supports and holds it upright and gives it form, is the foundation of its growth. In our school district, the superintendent is such a root. We dedicate this Forester to Mr. Carl Jensen in appreciation of his contribution to education and particularly to the schools of the Highline District.

Mr. Carl Jensen was born and reared in Washington, and is a graduate of Central Washington College of Education and University of Washington. He taught at Shelton and Highline High Schools, and then became director of guidance and personnel, and vice-principal at Highline High School. Later, he became assistant superintendent, and in 1953 was selected as superintendent.

Mr. Jensen's high standards and love of education have enabled him to deal successfully with the problems of a district that has doubled in size since he has taken office. Its present size is 21,483 students, 900 faculty, and 400 non-teaching personnel.

Mr. Jensen says of Evergreen High School:

"We are very proud of Evergreen High School and the manner in which it has so quickly established itself as an important part of the educational program, not only of the Highline District, but in the entire Puget Sound area as well."

His opinion of our school is both a commendation and a challenge. We are the growth and the fruit of the tree of education.

Principal

Forest Rangers of Evergreen

Delores Garrison
Vice Principal

According to the greatest of American traditions, what one needs to attain success, fame, and fortune is to combine determination, hard work, skill, and, most important of all, the inventive ability and desire to perceive and fill new needs. If we add to these things the drive to help make the community a better place for all to live in, then we have the basic ingredients for a full, and wholesome, and happy life.

Good luck to all of you. Evergreen wishes you well and will always be happy to hear from you and about you as you make your place in the community.

Roots of the Forest

As a tree in advancing its growth spreads its branches into wider areas so is the Highline District extending its coverage and going forth on to more campuses of the Northwest. The Board of Directors of the Highline Public Schools consists of citizens who dedicate a great deal of time and effort to the development of our district as the third largest in the state. The P.T.A. Board working with the School Board is responsible for the many improvements of Evergreen as an individual school.

In Memoriam

Evergreen students and faculty were deeply saddened by the death of Mrs. Margaret Kurata. She had been on the teaching staff at Evergreen High School from September 1957 to December 1959. Later in the spring, her son Kenneth, was born. Students who were privileged to have had Mrs. Kurata for science or health classes will remember her personal interest in the individual as well as the high standard of scholarship she maintained in her classes. Her pleasant and charming manner endeared her to all her associates. Mrs. Kurata had been graduated from the University of Washington, Magna cum Laude and was a member of Phi Beta Kappa, a most distinguished honorary organization.

COOKS

To the tunes emitting from the juke-box, food is served by our cooks to the thousand hungry, rushing students pouring from the buildings at the summoning of the lunch bells. Hamburgers are still the favorites on the menu.

SECRETARIES

From their watchtower in the two hundred building, our gracious and pleasant office personnel keep our school running smoothly. They watch over our records, hand us our supplies and directions. We appreciate all the things they do for us.

Mrs. Hogan, R.N.

Custodians

Who plays a great part in keeping us comfortable? The custodians. We have them to thank for our clean, shining halls and warm rooms.

The Top of the Tree

Finally after five long years the Class of 1960 reached the top of the tree at Evergreen. Most of the students in the Class of '60 started school here as eighth graders while the school was still in the process of being built. They have watched Evergreen develop from a mud hole to a beautiful, mighty school.

These students have always been underclassmen and now will be the second graduating class. The Senior class wants to set a good example for classes that follow. President Jack Hansen, vice-president John LeCompt, secretary Pat Benzel, treasurer Kathy Kuinders, sergeant-at-arms JoAnn Scott and all of the senior representatives have planned many wonderful activities, such as our first Homecoming, the Senior Ball, the Senior Cruise, and all of the events leading up to graduation.

Trees in Their Blooming

With a roll call of three-hundred and seventy the Junior Class was led by President Ed Pettitt, Vice President Neva Talley, Secretary Sandi Matt, and Treasurer Alice Robinson.

The first step to make firm the roots of the Junior Class was to finish their Class Constitution, the second step was to start a complete history of the "Class of 61." They sponsored many activities, including the Junior Prom, kept the tradition of choosing their class jewelry, and were very active in the clean-up and beautification of Evergreen.

The Junior Class was well represented in school activities at Evergreen this year. Judy Saunders was given the honor of being Evergreen's first Junior Homecoming Princess. Our Yell and Song Staff was comprised mostly of Juniors. There are also Juniors holding Girls' Club and Boys' Club Offices, and serving on Traffic Court and Safety Council. Many Juniors are active in school activities.

The "Class of 61" is looking forward to their senior year, always striving to better themselves with their motto in mind, "Together We Build Tomorrow."

Trees Begin Their Growth

In their tenth year of growth the Sophomores are striving to be the most active class. President Rich Champie, Vice-President Diane Balko, Secretary Pam Salsman, and Treasurer Sandy Stinson, were chosen to lead the sturdy Sophomores.

The choosing of a motto, flower, class colors, and the writing of a constitution helped to strengthen class spirit. One of the main events of the year was the annual Sophomore Tolo. They are planning money-making projects to help toward the beautification of Evergreen.

We will be looking forward to greater things from the Sophomore Class in the future as shown by the outstanding Sophomore Football squad that didn't loose a game, fine basketball team, and their help in all school organizations.

of Venerable Evergreen Trees

The Associated Student Body Officers and the Student Council may be best described as enthusiastic, original, and aggressive. More efficient leaders could never be found than those who lead the student body of Evergreen through the past school year.

It is said that an organization never rises above its leaders. We may well apply this old, but true saying and give credit where it is due when we

recognize the high spiritual level which every student has felt during these nine months.

Various socials and projects were highly successful under the guidance of such leaders. The Homecoming and the Spaghetti dinner gave each student who attended pleasure and pride to be part of this student body. And, also, the enthusiastic giving, on the part of the students, made the improvement of our campus possible.

“What You Need Is”

Striving to improve the well being of the students in and out of school, the Safety Council plans various activities such as the car check, clean-up cam-

paigns and car rodeos. Each centered around the group's main goal — SAFETY.

“I Was Just Going 25, Honest!!!”

Congruently with the city and state patrol the Traffic Court works to enforce strict laws and keep order in the highway during and after school. The student if tried and guilty does odd jobs to improve the grounds or school equipment.

Traffic Court students hold panels dealing with traffic problems for the P.T.A. and the student body. Each year they have a complete student body assembly discussing safety and driving problems.

"Push on—Keep Moving"

"It's a cool club," this is one of the many voiced expressions that the Wolverine Guard has fun upholding the standards of the school. Under the supervision of Mr. Dorr, the membership of this club has almost doubled in strength.

To maintain their motto "Service," the Wolverine

Guard sets good examples for new students. They keep the students off of the gym floor, provides seats during the games, and many more services that go unnoticed by the students. In the past year they have upheld their motto in serving our school.

Friendship Is a Sheltering Tree

At the beginning of the school year, the Girls' Club friendship committee greeted new girls and showed them around Evergreen. This was just one of the ways the Girls' Club helped to make everyone feel more at home.

The annual Girls' Club Conference was held at Franklin Pierce this year and was a great success. The girls came back with a lot of new ideas and got down to work on the better ones. One of these was the telephone directories made up by the Girls' Club and sold to the students.

In November the Boys' Club beat the girls in the annual canned food drive but by a narrow margin. The Girls' and Boys' Clubs were presented a plaque by the Lions' Club for their active participation in the canned food drive.

Other activities taken on by the Girls' Club this year were, their dance on January 15, writing letters to the alumni for Homecoming, and the big event of the year, the Mother-Daughter Tea.

Leading the female population of the Wolverines for 1959 were: President, Marilyn Perdue; Vice President, Sue Davis; Secretary, Gerry Gulbranson, Treasurer, Sharon Bottger; Historian, Carla Kessner; Senior representative, June Wakefield; Junior representative, Carol Franz; and Sophomore representatives, Judy Stepper and Judy McMillan; Topping the committees were: Social Committee, Kathy Kuinders; Friendship Committee, Donna Robinson; Publicity Committee, JoAnn Hudson; Service Committee, Kay Copenhaver; and Standards Committee, Glennis Peterson. The girls have had a very successful year aided by their faculty advisor, Mrs. Smith.

Tall Timber

To promote fellowship and improve the citizenship of all boys as well as to stimulate pride in themselves and the school is the purpose of Evergreen's Boys' Club. Leading the boys for "59" were President, Gary Moore; Vice-President, Mike O'Mahoney; Secretary, Ron Rude; and Treasurer, Howard Dowdell. The cabinet members were aided by Senior Class Representatives, Mike Robinson and Paul McDonald; Junior Class Representatives, Bernie Carlton and Eddie Pettitt; Sophomore Class Representatives, Rich Champie and Lynn McDonald; Service Committee Chairman, Bill Bessey; Standards Committee Chairman, Bob White; Publicity Committee Chairman, Jerry Purdy; Program Committee Chairman, John Hagen; Field Day Chairman, John LeCompte; and Grounds Improvement Chairman, Dave Peek.

Skillful planning passed out a defeat to the Girls' Club in the Thanksgiving Canned Food Drive. The annual Boys' Club Dance, "Christmas In The Ozarks," was cleverly decorated and very successful. They helped in all school activities, especially the beautification of the grounds. The boys had a busy year, under the supervision of Mr. Dorr, the faculty advisor.

Sharp Saplings

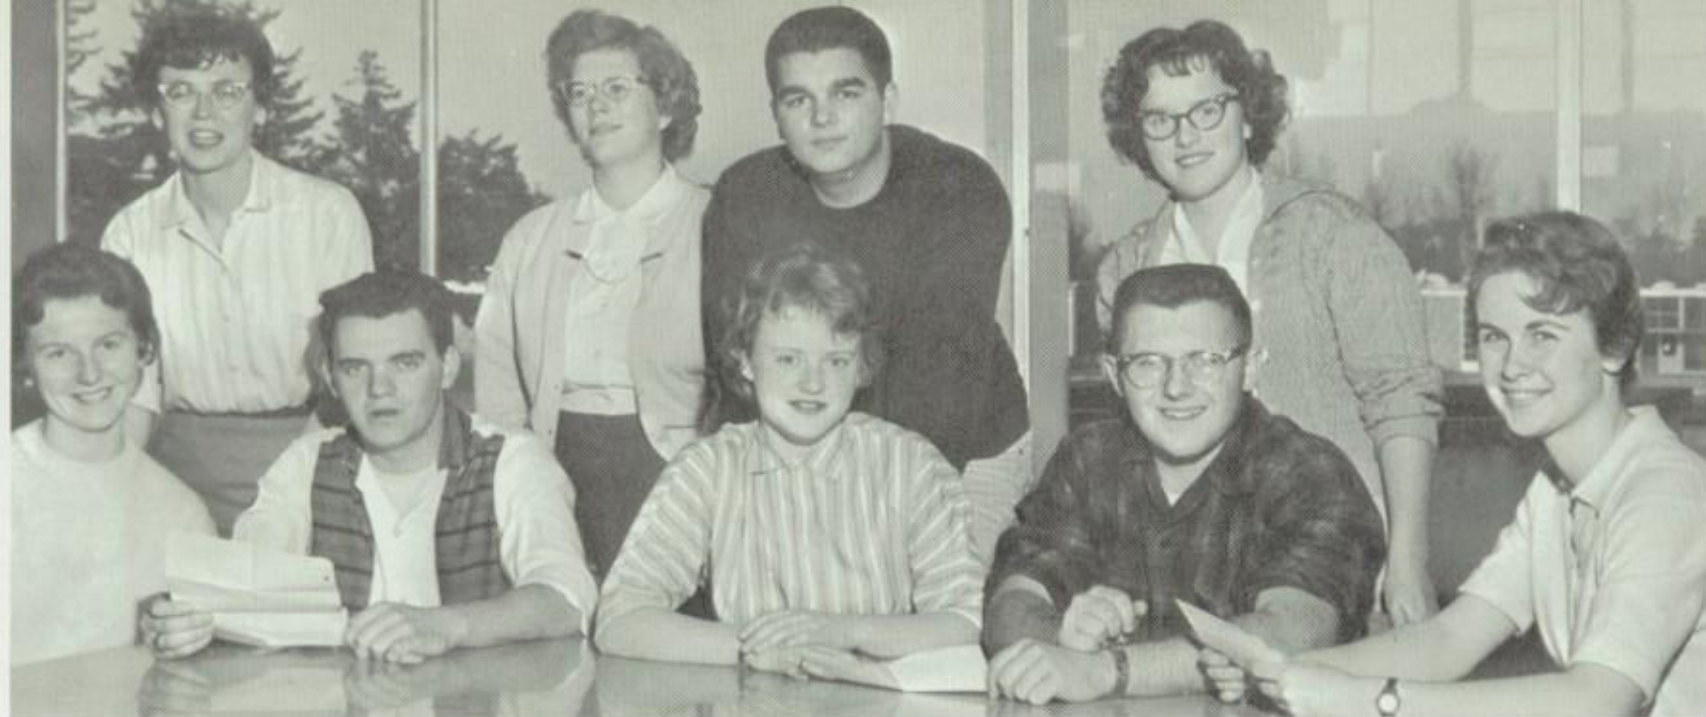

The Spar Tree Chapter of the National Honor Society at Evergreen was designed to create enthusiasm for scholarship, to stimulate a desire for service, to promote worthy leadership, and to encourage the development of character in the students of our high school. Membership in this society is offered to students who have achieved these four aims, and students are selected by the faculty for this high honor.

As a service to Evergreen and to promote scholarship, the Spar Tree Chapter has set as its principal project the presentation of a scholarship to one outstanding boy and one girl of each graduating class. Another important service to the school is the publication of the quarter and semester Honor Roll for all Evergreen students who receive no grade lower than a B.

Activities are held all during the year to raise money for the scholarship fund. These include selling popcorn and candy at the games, car washes, and dances.

The members hold key positions of leadership in clubs throughout the school. Social events include a formal induction ceremony in the fall for all new members and their parents, and a banquet in the spring for all chapter members with a neighboring chapter invited as our guests.

The Spar Tree officers for 1959-60 include: President, Mike Rainy; Vice-President, Phyllis Dahlberg; Secretary, Sandra Peterson; Treasurer, Pat Benzel; Publicity Chairman, Judie Turner; Advisor, Miss Lois Baldwin.

Wind in the Willows

Here in our forest we can achieve the confidence of a good orator through Debate. These nine students, under the supervision of Mrs. Clark, voice their opinions on both sides of the question; "Resolved That The Federal Government Should

Substantially Increase Its Regulation of Labor Unions."

As they put it, Debate is "a hard but enjoyable subject that requires an inquiring mind."

Evergreen's Foresters

Sometime ago the Highline School District purchased land for Camp Wascowitz as a "learning by doing" experiment, where the sixth grade students are sent for one week during the school year in conjunction with their Outdoor Education Program. To help the teachers with these many students are counselors composed of tenth, eleventh, and twelfth grades from the high schools in the Highline District. Evergreen has always participated in this program and each year sends many students to help guide our future citizens.

Of the many activities enjoyed by everyone are the cookout, the trip to the sawmill, and the many hikes.

It is a great privilege to be chosen to attend Camp Wascowitz either in the fall or in the spring for it provides an experience not easily forgotten. Everyone of the students pictured here has found that their experiences at Camp Wascowitz has taught them valuable lessons as they helped guide the sixth grade students.

Teens Behind the Scenes

Tickettes is an all-girl organization who have rendered their services throughout all this year, selling and collecting tickets, at all the home games.

Under the supervision of Mr. Wagness, these girls have done much service to Evergreen. The club is lead by President Barbara Hagerman, Vice-president Linda McNeeley, Secretary-Treasurer Carolyn Perdue.

The Stage Crew, with the help of Mr. Wagness their advisor, has done an excellent job painting, changing and fixing the numerous props, operating the PA system, lights and the curtains for all the various programs this year. Besides this they are on hand at all the assemblies in case any assistance is needed.

Teaching and Learning Go Hand in Hand

This year was a busy one for the Future Teachers of America Club. Some of the activities have included meetings at which various guest speakers have discussed their experiences in education. Early in the fall a unit on special education was planned including a visit from Mrs. Beryl Gridley, principal of Woodside School. The following week the club visited Rainier School for the Mentally Retarded at Buckley. Many students interested in elementary teaching have arranged to observe classes from 2:30 until 3:30 at nearby grade schools. Also every year the club members visit a college campus in the area to observe classes in education and other subjects and to get a taste of the kind of

college life they expect to have.

F.T.A. students have a good record for giving service. Projects this year have included assisting teachers after school, serving as ushers at the Teachers' Workshop, and serving cake and coffee at the P.T.A. meetings. Money is being raised to give a scholarship to one of its graduating seniors who plan to major in education in college.

F.T.A. is not a club exclusively for students who are *sure* they will become teachers; rather it provides an opportunity for students to learn more about teaching and decide for themselves as to whether they wish to enter it as a career.

A Common Goal

A common goal is shared by the members of the Future Nurses of America Club. They dedicate their activities to learning about the career they intend to pursue.

Mrs. Hogan, our school nurse, guides the girls in their course. The President is Colleen Sweitzer, Vice-President is Shirley Dick, Secretary is Bonnie Bennedson, and the

Treasurer is Nancy Syrstad.

Many girls add to their nursing experience by donating time to the Renton Hospital, helping themselves while they help the nurses and patients. All girls enjoy benefits from movies, field trips to hospitals and training schools, and lectures about the field of nursing.

*The books we think we ought to read are poky, dull, and dry;

Girls on the Go

Have you ever noticed the hustle-bustle of the girls that work in the office? Well, it's no wonder, for they've a lot of work to do. Not only running errands, collecting and recording the attendance,

but many other duties, that are extremely necessary to keep track of one thousand students. Typing, filing, attending the counter and running the ditto machine is plenty of work for these girls.

98.6° F. All the Time

The Clinic Staff which is comprised of Evergreen girls donating one hour of their time each week gives immediate service to those students in

need. These girls, under the supervision of Mrs. Hogan, R.N., are willing to help anyone who comes in the clinic.

A Pencil, Please

Supplies by the dozen are handed through the Student Bookstore every day — pencils, paper, and many other materials that are bought by students to be used in their daily work.

This small, but necessary, part of our school is done by the students, who give up their free time to serve us.

Today everyone is looking towards the high schools for our future research scientists in the age of science and Evergreen has its own answer to this demand. Students that are interested in science have joined the Evergreen Science Club now in its second and most active year.

Leading these students this year are President Steve Bossi, Vice-President Barbara Knaack, Secretary Bobbin Kyte, Librarian-Reporter Ellen Marcy and heading the advisors, Miss Bliss.

The students partake in field trips, films, panel discussions, and science fairs in which they prepare projects in the fields of biology, physics, or chemistry. One member, Mike Rainy, built a machine that would smoke and then later used it in a study of the effect of smoke on mice.

Several students, besides Mike Rainy, have undertaken projects that will be entered in the King County Science Fair to be held at Seattle University, March 18—20. These projects include spectroscopic analysis by Del Gould, the Millikan Oil Drop Experiment by John Herrmann, solar energy by John LeCompte, cyclotron study by Jack Davis, the Van deGraaff Generator by Bob Rudolph, the effects of hyperthyroidism and hypothyroidism on mice by Brian Herbinson, saccharimetry by Steve Bossi, and the building of electronic equipment by Gary Ingle.

Every member enjoys exploring in these different fields of science that are being opened up to the eager, young people of today that are tomorrow's scientists.

Hugh Criswell Wins Talent Search Award

The Science Club is very proud of one of its members, Hugh Criswell, for winning an honor award in the annual Westinghouse Science Talent Search.

To enter the Talent Search a project is required and Hugh took up study and experimentation in rocket propulsion. His project dealt equally with chemical and electrical means of propulsion. It proved to be hazardous and parts and chemicals were difficult to acquire.

Hugh said, "I enjoyed the project very much. It was quite enlightening. I hope to go into rocket propulsion as a career."

Sprechen Sie, Deutsch?

Proof that Evergreen is growing is the organizing of new clubs such as the German Club. We didn't hear much about them this year because it was their first year and they had to spend a lot of time organizing the club and writing a constitution. They were led by Präse, Brian Herbison, Kanzler, Don Brown and Sekretär-Schatzmeister, Terry Murphy. Their advisor is Mr. Carstens.

All German students are eligible to be a member and

to attend the meetings, which are held the first Monday night of each month. They are being inspired this year by Karen Heiting a new student from Germany. She makes German somewhat easier for the students by helping them with new words and with their pronunciation. As for Karin, she takes German to improve her knowledge of the English language.

That's Your Cue!

Along with the other new clubs that were formed this year at Evergreen is the Thespian Troup which is one of the many troupes all across the nation that belong to the National Thespian Society.

By working in a play or backstage as part of the production staff students earn their points to become members.

Being a new troupe they decided to wait until after the Variety Show to bring in another troupe to officially install them as members of Thespians along with Mrs. Clark, who is a Thespian member. Becoming a Thespian is an honor and by earning the required ten points one receives a life membership upon joining the Thespian Troup.

Principes Philhellenes

The Latin Club is the largest and most active club at Evergreen. Advancing the interest of Latin culture and the clear perception of its classics is the aim of the Philhellenes.

They are the first club in this state to answer Auburn

High School's challenge to begin a Beautification campaign. The Ultimate goal is a model state for Century 21. In conjunction with this they held a clean-up campaign throughout the Evergreen area in October.

THE WOODS ARE FULL OF THEM

Enter this forest if you dare — challenges the Philhellenes, a club composed of past and present Latin students. Interest in this organization was stimulated through a wide variety of activities both of service and for pleasure. The increasing membership has reached over 250 students, making this club among the largest at Evergreen.

If you want some authority on car washing, candy sales, and other money making activities, ask a Philhellene. These members are noted for their feverish work and dollar sign eyes. In the spring, graduating Latin students competed for the \$100 scholarship given annually. Ten per cent of all money earned is given toward the Student Body debt.

When Puyallup challenged the schools of Washington to the Beautification for Century 21, the Philhellenes were the first to accept, scouring the district cleaning debris and making general improvements along the road. At Christmas, the

group went caroling, climaxing at Evergreen the installation of new members.

The highlight of the year was the Annual Roman Banquet. Members appeared dressed in togas, as the ancient Romans. The group was entertained by chariot races, gladiators, skits, and dancers. During the banquet the Latonians presented the library with some new and interesting books.

The backbone of the group is Mrs. Nerhiem, known for her new and different ideas, money making projects, and also her constant promoting of school spirit.

The Philhellenes are ever striving to maintain their high goals —

"To promote interest in the classics,

To benefit by the practical application of knowledge of the classics,

To enjoy the cultural advantages associated with the study of classics."

Thunder on Sycamore Street

This year the Seniors, under the direction of Mrs. Clark, presented the dramatic play, "Thunder On Sycamore Street." The theme of this production was the exposing of the terrible power, which when unharnessed, a mob can generate and the reckless, unthinking acts to which otherwise good and intelligent people may be driven to by pressure of public opinion. Also brought out is the kindness and honesty of youth in the direct approach to the problem by the teen-agers involved in this unpleasant situation.

The Seniors that took part on stage were John Coleman as Arthur Hayes, Margaret McCreery as Mrs. McAllister, Dave Carson as Frank Morrison, Debbi DeMacon as Ginny, Chuck Grimm as Joseph Blake, Sandra Kamel as Clarice Morrison, Brian Foster as Roger Morrison, Dennis Braaten as Chris Morrison,

Hugh Criswell as Charlie Denton, Toby Curd as Grace Denton, R. B. Bolin as Bill McAllister, Sherry Reinholt as Mrs. Harkness, Susan Leaf as Caroline Hayes, Vicki DeMacon as Judy Blake, Gary Moore as Mac, Pat Deane as Irma, Ann Dines as Anna Blake, Phyllis Dahlberg as Mrs. Carson, Bob Thulin as neighbor man, and Marie Mullen, Pat Benzel, and Joanne Scott as the neighbor women. The assistant directors were Bobbin Kyte, John Hauser, and Barbara Knaack.

The play was a hit both nights it ran and everyone enjoyed it from the directors to the students on the production staff. Everyone will always have memories of the play and the excitement of opening night with the sea of faces in the audience looking expectantly on stage for the first act of Evergreen's first dramatic play, "Thunder On Sycamore Street."

*"Once upon a Summer — once upon a time —
When you were only seven — or eight — or nine —"*

With these opening lines of the theme song a nostalgic feeling of summer memories of experience of the summer fair settled quietly over the auditorium and the Talent Show was under way. "A small boy, guided by suggestions in song and verse from choir and verse choir, lived through a day at the fair. First he chose to visit the carnival with its exciting side shows and thrilling rides, then he visited the annual Summer Fair Talent Show to watch and listen to the

home-grown performers. Hungry again, he made his way to the Food Contest to sample the entries in the Pickle & Pie contest. Finally the day reached a perfect climax under the Big Top at the gala performance of the circus. Tired but content, he trudged wearily home under the twinkling summer sky" — to dream it all over again — and the audience stirred and slowly came back to reality — as the curtain slowly closed.

The Fruit of Our Toil

Our Annual Artist-Pat Seaquist, Art and Layout Associate Editor.

The book you are now reading is the only testimony of our year's work. The value of that work is for you to decide and if you like it, everything was worth while.

Headed by Barbara Knaack, the Editor, the annual has been under way since last September and thanks to the guidance of Mrs. Norman, annual advisor, the staff has been held together through the depressing times. Ken Freeze, Sports Editor; John Coleman, Activities Editor; Sue Davis, Literary Associate Editor; Lee Anderson, Business Manager; John Jouser, Advertising Manager; and Pat Seaquist, Art and Layout Associate Editor also kept the annual going. And a special thanks to Steve Seeley for designing our cover!

Besides working in class, we did much leg work in gathering material. Getting interviews included running down forty-four teachers and 232 Seniors when they weren't doing whatever it is that they're supposed to be doing when you are trying to find them. And selling — that's a lulu — it's assigned to students blessed with a special gift of gab. They must be able to talk faster than a businessman can think. But selling campaigns are most enjoyable — trying to chomp an apple for lunch while explaining to some unknowing Sophomore the difference between a hard and soft cover.

And so a final word in parting — we shed a few tears, burned the midnight oil, lost a few things, fought against flu, colds, and shorter deadlines — but we had fun. Hope you like your 1960 annual!

Whispering Treetops

Those students which work on the Timberlines do so for different reasons. Some feel very close to journalism, for their desire is to work on a newspaper after they graduate. Others merely want to learn how a newspaper is run, and maybe the rest want only to be a part of the Timberlines Staff. Whatever their reason, they always do a good job and deserve our vote of confidence.

Deadlines and headlines are the dominants for the Timberlines Staff which is composed of first, second, and third year journalism students. Evergreen may point with pride to this organization because of their fine record of aiding the school and district with many projects. Pat Deane, the editor, took charge of the March of Dimes campaign which was a great success.

Ever since 1955, Evergreen has had a newspaper of some kind. It began as a mimeographed sheet, with many qualities lacking. Now we have a four page printed issue, sold regularly every month. "Bigger and better each year" seems to be the motto of these students, as next year their goal is eight pages.

And speaking of eight pages, didn't they do a wonderful job on the Homecoming issue this last fall? Another highlight of the year for them was the Pacific Slope Press Conference held last February at the University of Washington.

With balanced sections, experienced singers and keynotes of music, fun and hard work the mixed Choir embarked on another year of fine musical activities and growth. Under the leadership of Mr. Cahill the choir has developed into Evergreens' finest choral group, and have been able to participate to the fullest in fine choir activities. With Judy Wilson aiding the choir as accompanist a new repertoire of musical numbers was begun. Other key members in the choir's first organization were Bob Williams president, Mike Menaglia, Carolyn Perdue and Sharon Johnson. Bob also sparked the beginning of a choir service awards system.

Representing the choir at an ensemble contest was a mixed octet, which also sang for P.T.A. Eleven of the choir represented Evergreen in the Festival Choir at Franklin-Pierce this year. They thoroughly enjoyed contributing their share to that 400 voice picked choral group.

Projected spring activities include a trip to Clover Park High School to compete in the Choir Contest and participation in the first annual Highline District Festival. In conjunction with the festival orchestra the choir will present as a finale to the evening's program "A Tribute to Sigmund Romberg."

Their Cortege Sing

If you love to sing and are willing to work, two other musical groups that provide much enjoyment to music lovers are Girls' Glee and the Nonettes. Since all the vocal groups are under the direction of Mr. Cahill the glee frequently appears with the choir at the various performances.

Highlights of the season were the evening concert at Wesley Gardens and the first Homecoming Assembly where they sang "Thanks for the Memories." One of their memorable numbers for the Christmas season was, "Bring Your Torches, Jeanette Isabella."

Both the Girls' Glee and the Nonettes appeared before the P.T.A. in conjunction with the choir and again contributed fine musical selections.

This has been a year of growth and has been completed on two fine notes active and musically satisfying.

keep time."*

One of the most active groups at Evergreen this year was the Band. Promoting interest in music and supporting school activities are the purposes of this spirited group.

The Clarinet Quartet is composed entirely of Seniors, who not only play with the Band but entertain us as a separate group. These students have all taken Band for four or five years.

The four concerts the Band participated in were well attended and enjoyed by everyone. They gave performances at Cascade Junior High, Mount Rainier High School, Puget Sound Junior High, Wesley Gardens and the Old Folks Home in Des Moines. Their main objective was to raise money for their uniforms. They sponsored the Barbershop Quartet and the Pops Concert to help achieve this goal.

Practicing their marching on cold mornings proved worthwhile by fine performance representing Evergreen proudly in the Santa Claus and other parades. The Constitution Committee worked out a system awarding letters to active Band members. Many students earned points marching in these parades.

Joanne Carroll, Jim Amend, and Ardis Anderson.

Mr. Van Gasken, the advisor of the Band, said that he is proud of the way Jim Amend, drum major, has led the Band this past year. Joanne Carroll and Ardis Anderson as majorettes contributed to the popularity of the Band.

The crowds attending the football and basketball games were sparked to enthusiasm by the Pep Band. Without this organization our pep assemblies could not have existed.

String Quartet left to right: Steve Bossi, Jo Ann McKay, Sharon Bottger, Joyce Spoklie.

Woodland Symphony

From early fall and into the spring the music room is the scene of much feverish practice. Under Mr. Cahill's conducting and guidance, orchestra members practice and perfect selections for concerts and programs. Their musical year started with the Annual Winter Concert where they joined with the choral groups in presenting "Songs in the Night" program.

One of the musical highlights of the season was the trip to the annual solo and ensemble contest, held this year at Franklin-Pierce High School. Selections played by the group were "Short Overture for Strings" by Berger and "Three Color Suite" by Elmore. Several excellent ratings were received.

Spring activities included an appearance with the first Highline district festival orchestra at an evening program in the Highline High's auditorium. Their program included such favorites as "Waltzes from Der Rosen Kavalier" by Strauss, "Russian Sailor's Dance" by Glinka and "Blue Tango" by Anderson.

Seniors graduating from the group this year include Sharon Bottger and Steve Bossi, whose service to the orchestra the past years cannot be measured.

Evergreen's string orchestra is developing a life and character of its own and is taking its rightful place as an art, an entertainment, and a branch of culture of our school.

Sprouting Salesmen

With the opening of the school supply store, the Distributive Education Club began the year with the outlook of success. This group proved to be one of the truly busy and hard working parts of our school.

Mr. Rexus, is co-ordinator of the group, and the class is led by officers Jack Taylor, president; Jan Laspasin, vice-president; Jo Ann Cuendet, secretary-treasurer; Ron Rude, parliamentarian; and Patti Kennelly, Historian.

These students co-ordinate their chosen career, salesmanship, with various years activities. Besides having frequent exchange meetings with other high schools in Western Washington, The sixteen members expectantly await larger events.

For example, on October 29 the D.E. Club members from all over the state gather in Olympia for Governor's Day. Here officers are elected, and our representative was Patti Kennelly who ran for secretary. March 15 and 16 five students attended the State Leadership Conference, at Walla Walla, with hopes of winning a trip to the National Leadership Conference in Kansas City, Missouri.

Through the year various businessmen aid these students, by giving them opportunities and advice. In return, an Employee-Employer Banquet was held March 22, to say thank you to these men and honor them.

Speaking of Sports . . .

Are you one of those poor, neglected souls that moans in your loneliness, "There's nothing to do!"? Well, all there is to say to you is, join Panorama! After you have hiked up a hill, skied down a slanty mountain, taken a dip in a cool pool, and developed bowed legs from a spirited horse, how can you say your life is dull?

Meetings are held twice a month, with the president Terry Pecnik in charge. Other officers are Bob Quarterman, vice president; Marie Davis, secretary; and Nancy Oakley, treasurer. They do their work under guidance of the advisor, Mrs. Brown.

Among the activities held, perhaps the most memorable was the skiing party on Washington's Birthday. Along with non-member friends, they went to Steven's Pass for a day of cold, but enjoyable activities in the

snow. Also a pot-luck dinner was given at Lincoln Park, with everyone contributing. All had their fill as you might well imagine. The Red Shield Pool is a frequent meeting place for the swimmers in the club, for they have had several swimming parties there.

Even Governor Rossellini knew of these students, for one of their projects this year was writing to him, as they campaigned for a road to the proposed ski site at Chrystal Mountain near Chinook Pass.

Thanks to the Parent-Teacher Association, and the Highline Recreation Council, any student of Evergreen is able to enjoy life at the utmost — out of doors. The thirty-eight members send their invitation to you to join them next year, so, Welcome!

The Girls' Athletic Association is an important club for the girls around the school, for it gives all of them an opportunity to show their skill in many different sports such as basketball, swimming, badminton, volleyball, and hiking of which are only a few.

All of the girls have an equal opportunity to win letters in the various sports. It is the aim of G.A.A. to offer a number of sports to the girls, to promote sportsmanship, and create an interest in athletics.

This year was highlighted with play-days at Mt. Rainier, Highline, Kent, and Renton.

Forward, March!

Stepping high to accompany the marching beat of the band, brightly uniformed, their pleated skirts swinging, and all in step, the forty-eight members of our Drill Team make a proud picture.

This organization has been active about two years and has done its part for entertainment and school advancement.

It is supervised by Miss Elliott, and the members chose Nancy Madoulet as their leader and Norma Walls as their co-leader.

Their activities included marching with the band at the Homecoming game, the Santa Claus Christmas Parade, during half time at the basketball games, and also at other parades such as the Logger's Festival Parade in Shelton.

We've Got the Pep!

Sparkling school spirit with their snappy appearance and ringing voices, our pep club has actively participated in making another year of growth become a successful reality at Evergreen.

The smart appearance of our cheer leaders was further enhanced by the green jerkins of the Pep Club girls who were right in there assisting them with the school yells so our pep assemblies were exciting and spirited.

Under the advisorship of Mr. Six the girls have sold hundreds of sno-cones to hungry students during our basketball games.

One of the finest tasks undertaken by this group was the making of all the posters for the games. Almost any evening after school one can glance down a deserted corridor and there down on the floor are six to ten girls all kneeling over a long strip of butcher paper. Every girl holds a "loaded" paint brush and each is trying to make one letter in a word and still keep out of the way of the girls on each side. Students admire and chuckle over these clever posters. Yes, the posters, assemblies, and the Pep Club girls' success can be measured by our fine school spirit.

Chant the peppy Yell and Song leaders who appear at Evergreen to lead fellow students in sparkling chants and rhythmic songs, promoting top sportsmanship, whether the team won or lost. The staff marched in the Christmas Parade, led the students at games, planned assemblies, and encouraged friendliness with other schools. Behind the loyal leaders were work, training, patience, and understanding. The girls were both the team and the crowd, playing the role of each, the backbone of the two groups.

Autumn Leaves

Happy memories were brought to the minds of returning alumni, the "Class of 59," during our first homecoming at Evergreen.

The opening activity was a luncheon held in the afternoon honoring the alumni. The whole school enjoyed the homecoming assembly. It began on a serious note with the coronation of the Royalty. The Sophomore Princess, Genie Patterson, was escorted by Bob Quarterman; Tom Monahan escorted Judy Saunders, the Junior Princess; and our lovely Queen, Sylvia Moon, was escorted by Jim Jean. A plaque from the alumni was presented by Ted Botorff, a graduate. The plaque was put above the gymnasium doors. The singing of the 1959 Class Song, and a skit

"This is your life, Class of 59" put on by the Pep Club played a part in the graduates remembrance of life at Evergreen. This was all organized by assembly chairman, Nancy Harmon.

The game was at Highline Memorial Field against Enumclaw. The fact that Enumclaw won didn't hamper the Evergreen spirits for long.

For the half-time activities there was the Royal procession, the Band and drill teams combined to spell out "Welcome Grads."

The dance followed the theme of Autumn Leaves and the music was provided by the Aztecs.

Homecoming was planned by a capable committee headed by chairman Susan Leaf.

HIT HARD — HIT

The 1959 football season opened with the Wolverines from Evergreen entertaining high hopes for their second year in the Puget Sound League. Evergreen was sure of bettering their 1958 record with the return of veteran seniors Jim Jean, Bill Bessey, John Gambill, John Herrmann, Gary Welch, Clint McKay, John LeCompte, and Lyle Houghland and with the help of up and coming juniors Pat Crotty, Mike O'Mahoney, Howard Dowdell, Ed Pettit, Bill Joyce, and Mike McGraw. Coach Ray Smith and his assistants Chuck Brigham, Jim Dorr, Jim Robeck, and Jerry Six drilled the boys in a double wing offense that stressed the running and passing of the fullback. This key position was manned by the powerful Jim Jean. The first two weeks of practice sessions indicated that the Wolverines were a team that could provide excitement and thrills on the gridiron. Disappointments were in store and the first blow came the week before the first game when Howard Dowdell, promising junior halfback, broke his collarbone. The season opened with no definite favorite for the championship, however, almost every team seemed to have the power to end up on top.

EVERGREEN 19

Mt. Rainier 0

Evergreen had too much experience for the newly organized Rams. The Wolverines offense was operating at full speed that night.

EVERGREEN 13

HIGHLINE 20

Two costly fumbles in the first quarter gave the Pirates two quick and easy touchdowns and they led 13 to 0 at the end of the first quarter. By the end of the half the Wolverines had battled back to a tie. The second half was evenly played until Highline scored the winning touchdown with only 28 seconds left to play.

This was considered by most people as the most exciting game of the season. Coach Smith feels that it was a turning point in the season. "If we had won this one we probably would have won at least six games and maybe gone all the way."

EVERGREEN 12

KENT 13

For the want of a try for point the Wolverines were beaten by a Kent team that displayed a fast, hard charging line. Evergreen gained the most yardage, but was unable to stop the Royals when they needed to the most.

EVERGREEN 30

AUBURN 0

Auburn showed a stubborn ground defense for the first quarter and then Jim Jean put his passing arm into operation. Passes to Dick Kelly, John Gambill, and Jack Hanson crushed the Auburn defense as the Evergreen reserves finished the game.

KNEELING: Larry Babcock and Bruce Greetan. *STANDING:* Jim Allyn and Jim Duffy.

EVERGREEN 6

RENTON 27

The Renton Indians led by Steve Madsen proved too fast and too tough for the Wolverines. For three quarters the game was close and hard fought and then the Indians broke loose.

EVERGREEN 7

FRANKLIN PIERCE 21

An evenly played ball game that the team felt they should have won. Fumbles and penalties at crucial times stopped two Evergreen drives that appeared to be certain touchdown marches.

EVERGREEN 7

ENUMCLAW 21

HOMECOMING! A smart quick Enumclaw team came to town to ruin Evergreen's first Homecoming. Backfield star Jim Jean, injured in the previous week's Franklin Pierce game, made only a brief appearance and gave the Homecoming crowd a big thrill as he limped onto the field and threw a perfect 35 yard pass to Jack Hanson who made a picture catch and ran for the touchdown.

EVERGREEN 13

CLOVER PARK 32

The Warriors from Clover Park had clinched the Puget Sound League crown and the trip to Seattle to play their champs. The Wolverines were intent on an upset. Howard Dowdell had returned to the lineup and for three quarters it looked as though the Wolverines might pull the upset, but the loss of the injured Jean in the second half hurt Evergreen as the Warriors exploded in the fourth quarter.

EVERGREEN 12

PUYALLUP 13

On one of the stormiest nights and muddiest of fields the Vikings and Wolverines met for the season finale. It was as even, hard contest with Puyallup gaining the try for point for the win.

In closing, it wasn't a season with an impressive win and loss record, but for thrilling close games, good sportsmanship, and outstanding individual performances the Evergreen football team was a success.

The coaching staff felt weaknesses lay in injuries to key players and certain defensive weaknesses.

As the season progressed new players were discovered, such as Dick Kelly, Ted Bacon, Terry Varner, Tom Monohan, and Jack Hanson.

Coaches: Mr. Robeck, Mr. Brigham, Mr. Smith, Mr. Dorr, and Mr. Six.

Jim Jean was named all-conference back and a second team all-state selection. The team showed their respect to a former teammate, Hank Kuxhouse who was killed in a summer auto accident, by naming the inspirational award trophy after him.

Hank Kuxhouse Award

After the death of Hank Kuxhouse, his teammates decided to change the Inspirational award to the Hank Kuxhouse Award. At the close of the football season the team selected Clint McKay as the person whom most inspired them to do their best and kept spirits up when scores were low. Clint followed his brother's example who was Inspirational Award winner in 1957. Mel Oishi was Inspirational Award winner in 1958.

TEAM-MAKER

Mr. Smith played football at Centrall Washington College of Education and in 1950 won the inspirational award. He coached the Foster team, from 1950 to 1951, that went to the State Mythical Class "B" Championship. During the 1952—1953 season Mr. Smith coached the All State Team. He then coached at Highline High School.

Mr. Smith has repeatedly led the team, keeping the spirits high, and the sportsmanship the tops.

GRID-IRON LEADERS

During the season different captains were chosen for each game. At the end of the season Bill Bessy and Jim Jean were chosen as the season co-captains.

Hot on the Hoop

This year's Casaba hopes in the strong Puget Sound League rested largely on the senior shoulders of veterans John Gambill and Bill Bessey, both two year lettermen. At the top of the whole team and behind them all the way is the coach, Bing Dahl, and his assistants, Mr. Robeck and Mr. Mullikin, who surmised the promising crop and developed a well-knit, good shooting, hustling band of Wolverines. Lacking the overall height of Renton and Kent-Meridian the Green and White finished a strong third behind two of the strongest teams in the state.

Highpoints in this year's season were lopsided victories over Highline and Mt. Rainier which marked firsts in wins over intradistrict rivals.

Senior mainstays to be missed for both ability and teamwork are John Gambill, Bill Bessey, and Jim O'Connell. John's records in scoring (20 pt. average) and rebounding are sure to stand for many seasons to

come, while Bill and Jim's shooting, ball handling, and floor games will be difficult to replace. Certainly we can attribute a lot of our success to, not only Mr. Dahl, but all of the coaches.

Juniors earning varsity letters this season and being counted on heavily in the year to come, are Lewis Metcalf, Pat Crotty, Dick Wilder, Tom Monahan, and Mike Peterson. With these, add the help in strength and size of this years polished J.V. team, and it is easy to see that this years squad has helped to take a long stride in proving that the Wolverines are a group to reckon with in ability, spirit, and fair play. This was a team that was defeated by narrow margins in most of its losses and yet never did they let down. The group represented Evergreen well. Proudly we salute them for their fine play, teamwork, and exciting basketball.

OUR FUTURE REGULARS

The Wolverine J.V. basketball team this season provided students and fans with many interesting and exciting games. With strength on the boards, fine shooting and passing plus excellent team play this years' team improved with each game. Scoring was well divided with Steve Cartis, Chuck Garner, and Tom Powell leading the way. The J.V. team defeated

Sumner, Enumclaw, Lake Washington, Mt. Rainier, and Highline.

Junior Varsity letter winners this year were Steve Curtis, Chuck Garner, Tom Powell, Jerry Dokken, Don Sather, Don Judd, Stan Miller, Jack Wagner, Tom Payne, Ed Fisher, and Steve Zuvela. Coaching this fine team was James Robeck.

TEAM CAPTAIN

Evergreen's basketball team does not choose a season's captain until the season is completely over. Bill Bessey was selected as captain for this year. Bill was chosen by his teammates for his proficiency and skill as a leader. During the basketball year the selection of a team captain is made for each game.

Bill's heady play and cool manner befitted the poise he displayed as this year's Basketball Captain.

MOST IMPROVED PLAYER

JIM O'CONNELL

Jim O'Connell completed his second year as a basketball letter winner this season and garnered the coveted Most Improved Player Award. Aggressive, "Hustling Jim" was selected for having consistently made the conscientious effort to show greatest progress throughout his career. He deserves the honor bestowed upon him by his teammates.

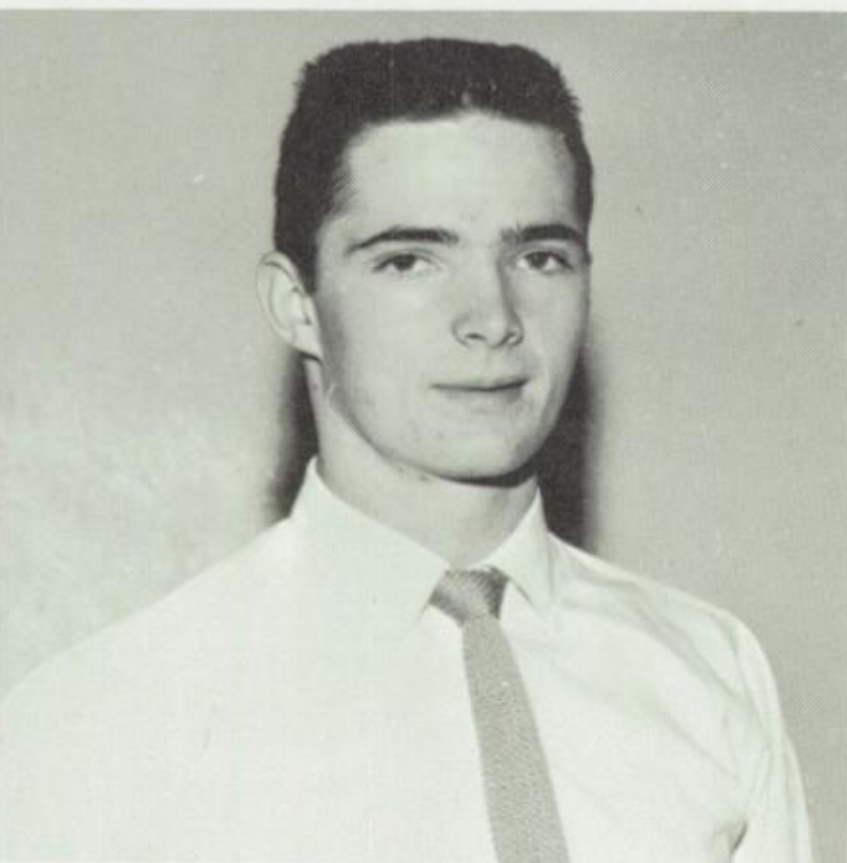

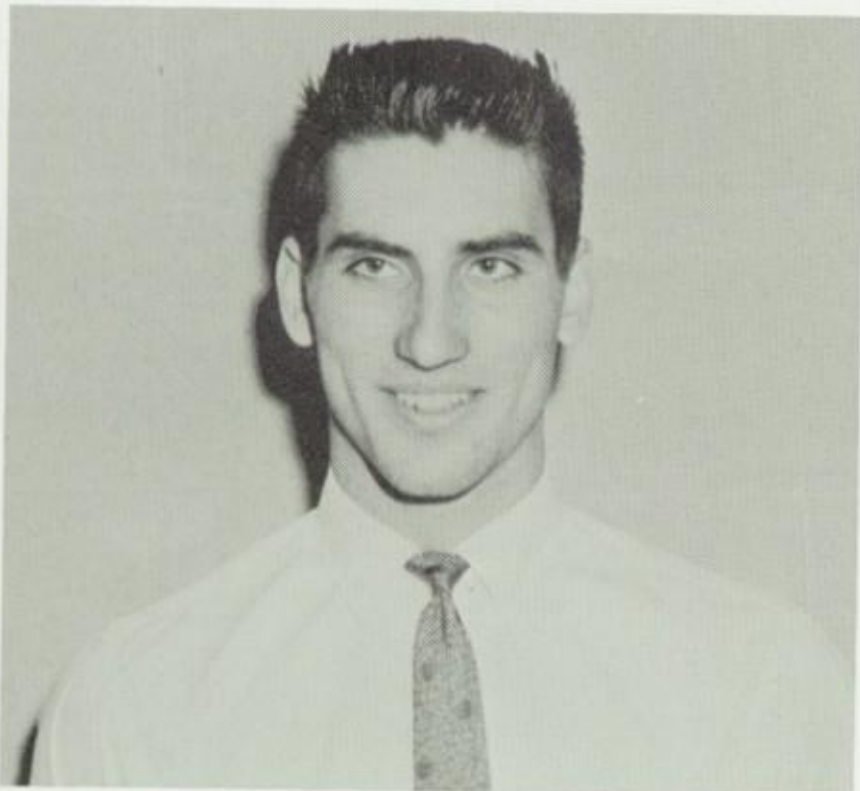

INSPIRATIONAL AWARD WINNER

JOHN GAMBILL

John Gambill through his actions and example was presented the highest award given an Evergreen Athlete. As recipient of the Inspiration Award John climaxed a career of achievements not likely to be matched in future Wolverine history. His 3 year varsity average of 17.3 points per game, and this year's 19.3 average in the tough Puget Sound League was high for the entire league, and ranked him as one of the top scorers in the state.

John's efforts and ability rank him as one of our all time greats and indeed a worthy name on the Inspiration Award Trophy.

John was selected as a member of the All State Non-Tournament Team composed of outstanding players not playing in the state tournament.

Cinder Fellers

Evergreen's 1959 cinder squad got a taste of Puget Sound League competition for the first time and made a surprisingly strong third place finish in the conference meet involving all eleven schools. During the early "warm-up" meets, the Wolverines enjoyed victories over Foster, Federal Way, Auburn, Sumner and Enumclaw; while losing to Renton, Kent, Highline and Puyallup.

John Gambill in the field events and Howard Dowdell, who placed fifth in the 440 in the state meet, were consistent point winners for the team.

Others who contributed to Evergreen's success were Dick Kelly and Ed Pettitt, sprints; Bernie Carlton, Jack Davis, Lyle Houghland and Larry Slinker, hurdles; Tom Powell, Clint McKay, and Dan McKay, pole vault; Hugh Criswell, Arnold Franks, and Dennis Mutton, high jump; Mike Knapp and Del Gould, 440; and Harold Perantie, Storm Totten, Gordon Paris, Jerry Crown and Harold Gehring in the 880 and mile. After these boys had finished their assault on the school records, eleven new records were written in the book.

The Wolverines look even stronger for 1960 with the return of twelve lettermen. Added to this nucleus will be some promising sophomores who should make this another fine season.

Head Over Heels in Tumbling

Doing a wonderful job to entertain during half-times are the fifteen boys in the tumbling team. This is the third year they have been active at Evergreen as an intramural group. Next year they plan to compete with other schools when there will be more equipment.

There are several outstanding members, in different areas. Bob Williams and Dave Williams stand out on

mat work; Dean Bangs on the Swedish horse; LeRoy Kennedy and Marion Shepherd on free calisthenics, and the weight men are Dennis Mutton and Ted Bacon.

These boys give their time voluntarily three nights a week, and are supervised by Mr. Dorr. We're waiting to see these boys back again next year, bigger and better than ever!

“Putting to a Tee”

Every Monday night, the golf enthusiasts gather to answer a most important question: Who will be in the top five this week? Chances are, they'll probably be Carnes Lloyd, Ronald Hren, and Jim Honsberger, the outstanding golfers this year.

All the students that played last year are with us again this season. The teams each consist of five players, and dual, three, or four-way matches are played. The ladder system is employed to determine the five top players each week, and

these five play each other for top position.

These students play in the Puget Sound League, and are taught by Mr. Vandenberg. Our home matches are played at Earlington Golf Course, when we compete with other schools. But the high point of the year is the State Invitational Meet when twenty-five schools are invited to play each other. Our team hopes to be included, and we wish them luck.

Bowling Them Over

Strictly for fun, and a lot of enjoyment, are the Friday afternoon bowling games. An average of seventy-five students turn out to bowl, although there are only eight organized teams of five bowlers each, in two leagues.

Even though they play only intramurally, there are two tournies held each year. In the individual tournament,

Wanda Elling and Joel Bruggerman took top honors. Also, there is a doubles tournament later in the season.

Mr. Vandenberg teaches this group and is convinced all his bowlers are “best.” That’s a fine recommendation for any group, and we’re sure they deserve it. Good bowling, and we’ll see you next year!

A DIAMOND IN THE FOREST

When this year's annual went to press the baseball season had not officially begun, but practice had already commenced. The team's morale was high and we were ready to take the league in baseball. Many of last year's top players were back to make the season one of the most successful here. Evergreen's team was not only made up of seniors but sophomores of last year, which are now juniors and the new sophomore talent that came in from the surrounding Junior highs.

Evergreen's team is privileged in having coach Bing Dahl, who in our estimation is the best. He showed his ability in coaching the basketball team that did a wonderful job against some of the strongest teams in the state. Mr. Dahl expects a wonderful season in baseball this year because of the excellent talent already displayed. The student body expects much of the team and they will not be disappointed this season.
